This is a Hospital Indemnity-only policy and provides Limited Benefits.

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. Other routine services may be covered under your plan, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.

UnitedHealthcare Hospital Indemnity product is provided by UnitedHealthcare Insurance Company. The product provides a limited benefit for certain hospital indemnity plan benefits. Please note: HOSPITAL INDEMNITY coverage is NOT considered "minimum essential coverage" under the Affordable Care Act and therefore does NOT satisfy the mandate to have health insurance coverage. Failure to have other health insurance coverage be subject to a tax penalty. Please consult a tax advisor. The policy has exclusions, limitations, reductions of benefits, and terms under which the policy may be continued in force or discontinued. For costs and complete details of the coverage, call or write your insurance agent or the company. This product is not available in all states. UnitedHealthcare Insurance Company is located in Hartford, CT.

^{*} While many health plans cover preventive care without cost-sharing when provided by a network physician, some charges may apply to these services when they are considered diagnostic (for example, services rendered to treat a health condition). Check your health benefit plan documents to see what services are covered.

This information does not replace your official plan documents. Please see your official plan documents for all coverage details, which includes limitations and exclusions.
